

2018

Brief Introduction

IBM Internship

Intro

Yueh-Chou Lee

李岳洲

Taiwan

National Taiwan University

Mathematics

Master

**Our lab is working on some projects
about medical images analysis**

Deep Learning

AIMIA

Preliminary Results

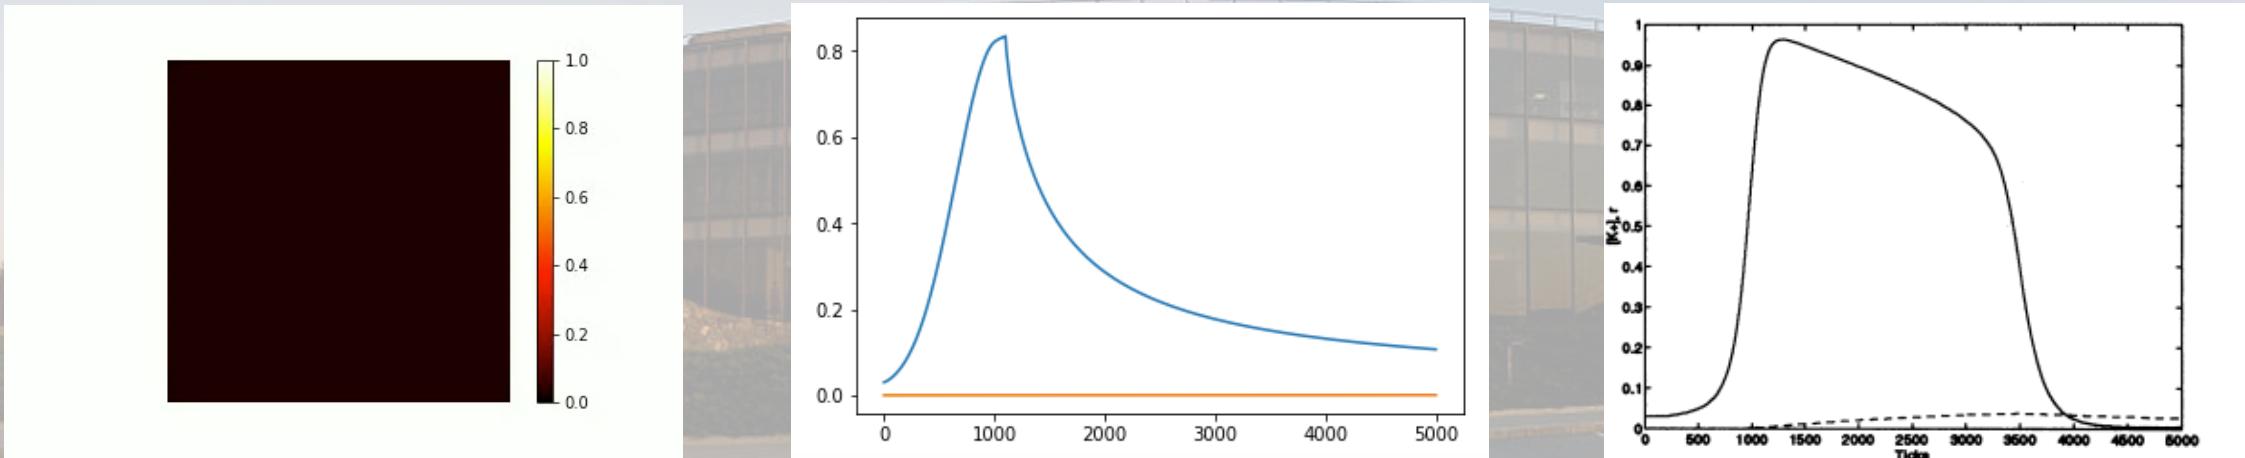

1

Read some paper about CSD model

CSD: Cortical Spreading Depression

2

Done some CSD code in Jupyter Notebook

Future

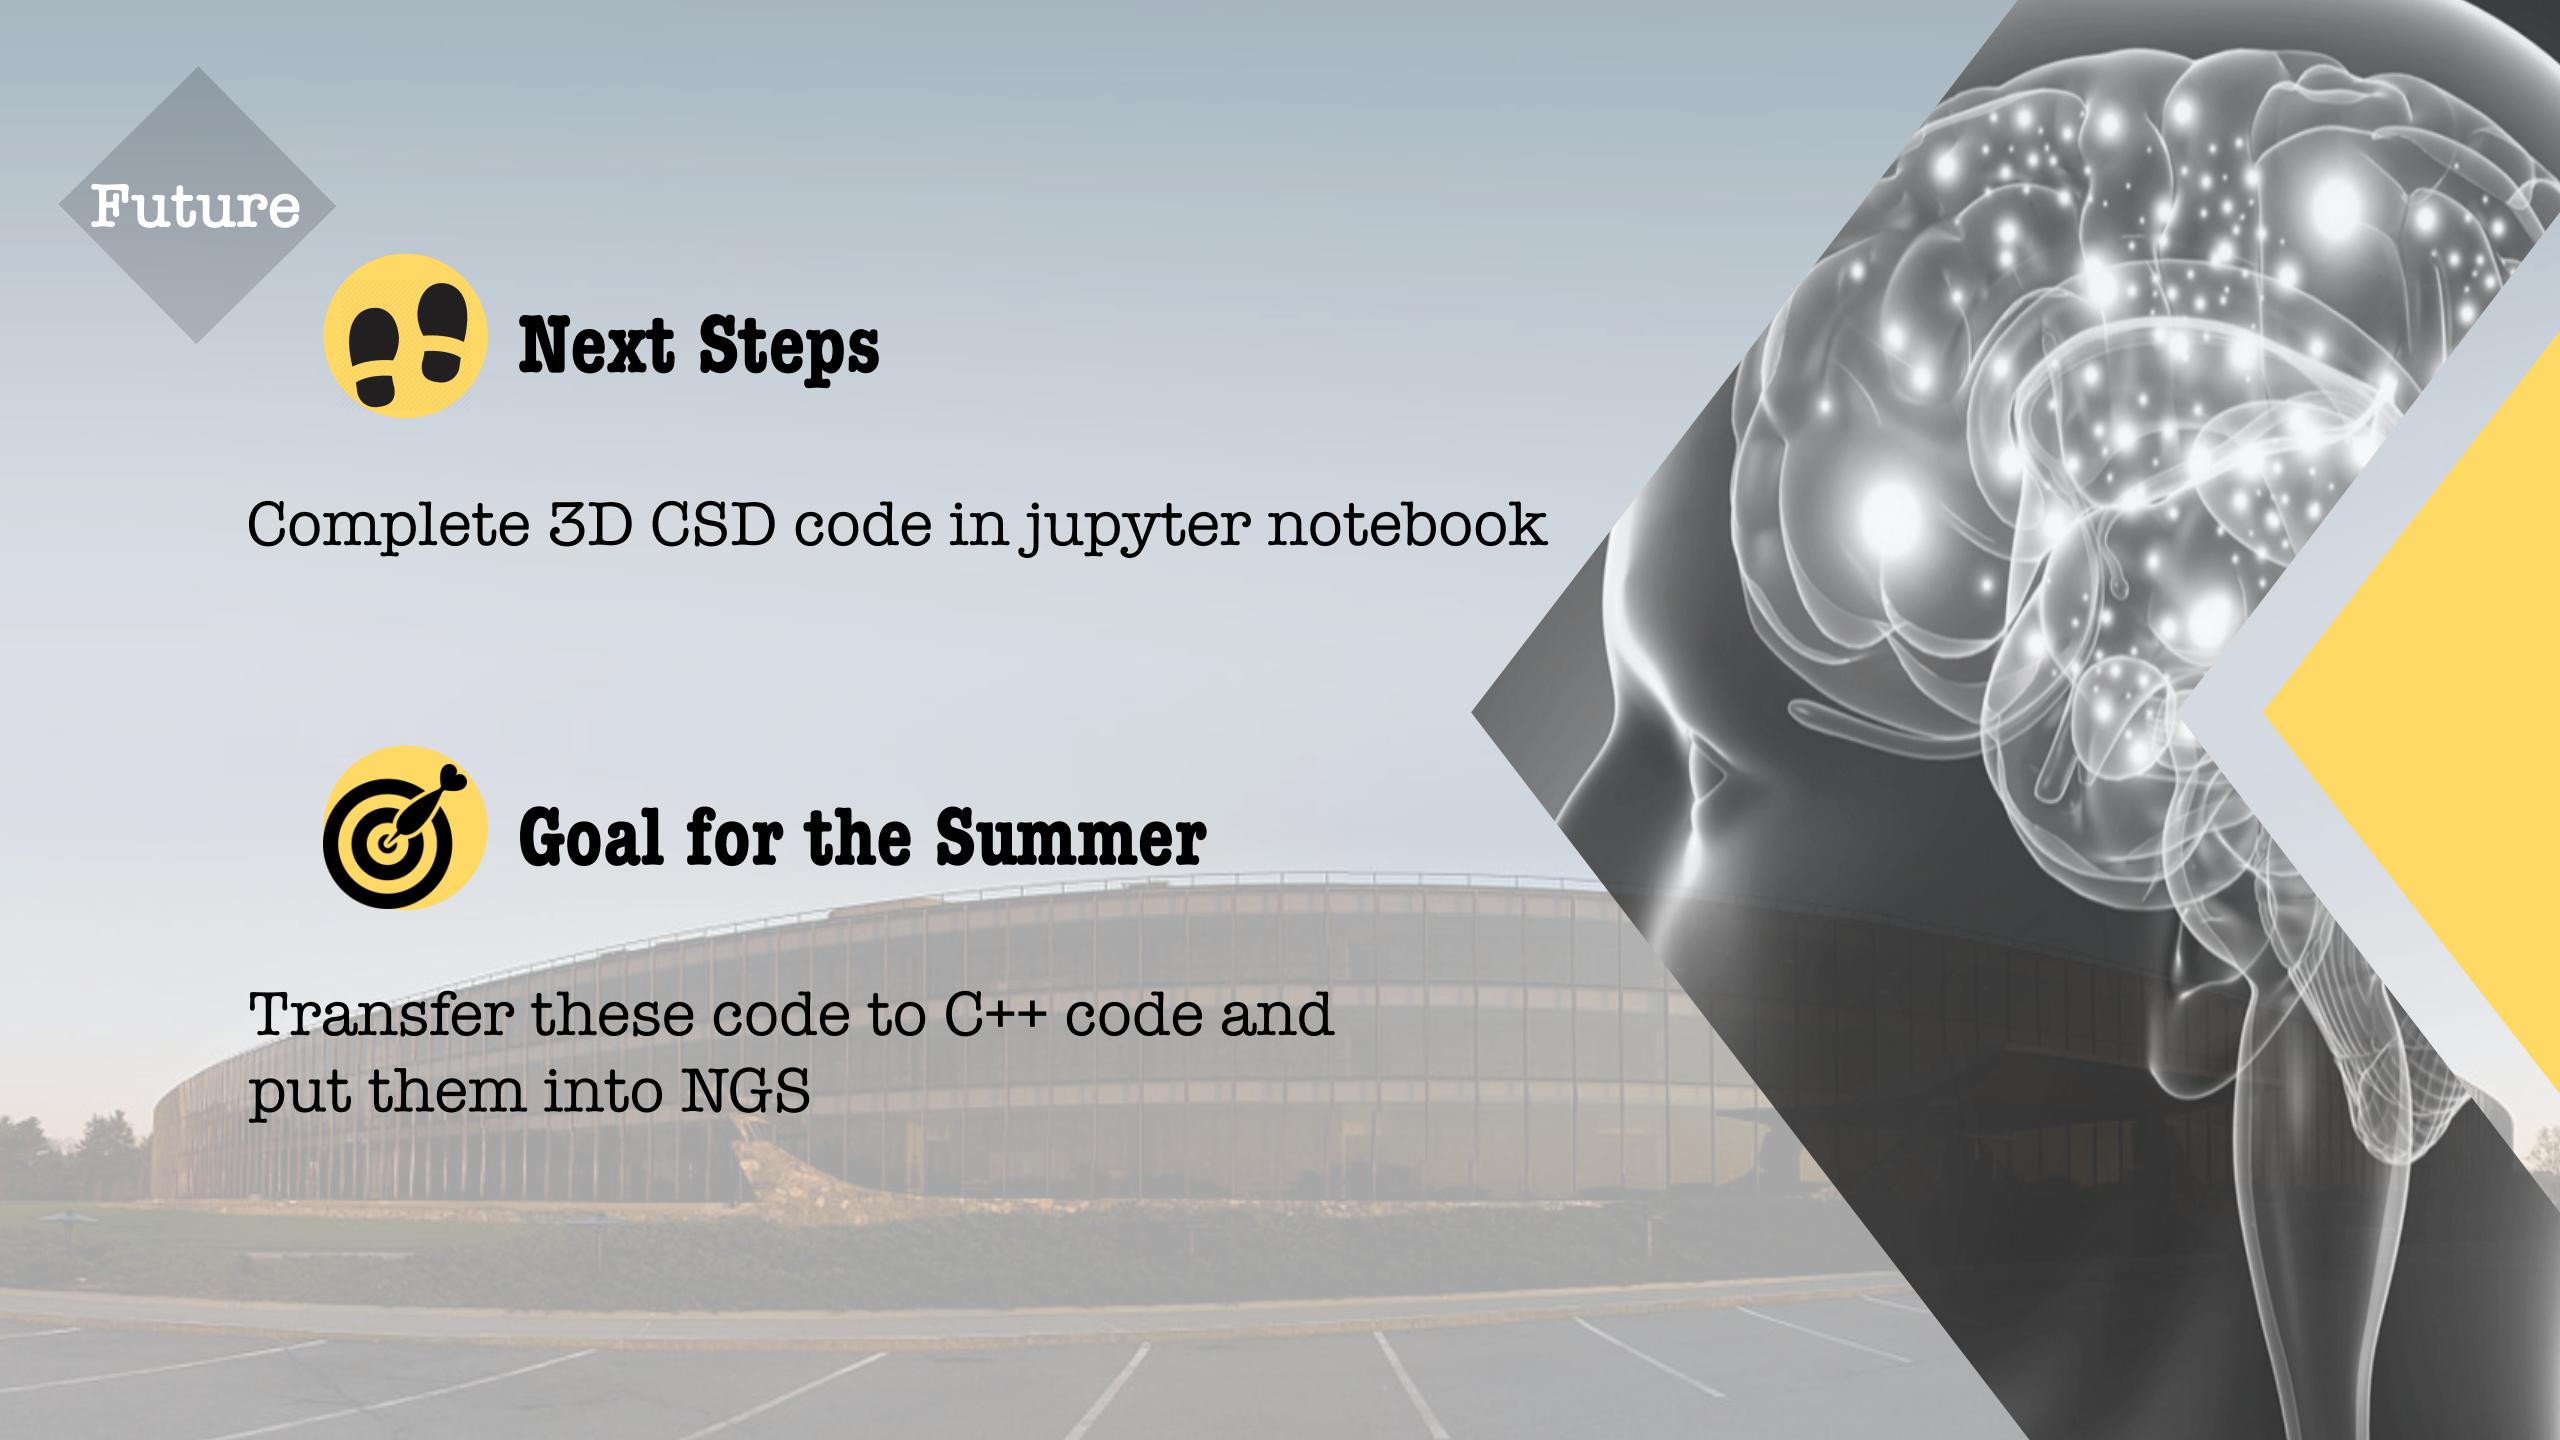

Next Steps

Complete 3D CSD code in jupyter notebook

Goal for the Summer

Transfer these code to C++ code and
put them into NGS

2018
Thank you
